

Breeders Row Entry Form

Breeders Row, formerly Stallion Row is an area for breeders to showcase their Farm &/or breeding program. Located in the high traffic Sale Staging arena you will be provided a booth space (solid walled stall with stall front removed) to display information about your farm, breeding program, stallion(s), offspring, Mares, etc...

We ask that your stall be decorated and presented in an attractive manner. For the most impact we recommend that you have tangible documents and information available for people to look at, review and take with them such as; business cards, flyers, brochures, breeding contracts, etc...

Farm Name: _____

Owner: _____ Email: _____

Phone: _____

_____ Standard Breeders Row Booth: \$150

One 12'x12' box stall in
