Rules & Fees for Transfers

When change of ownership occurs, the seller is responsible to transfer said horse into the new buyer's name. After filling out the transfer form, the original pedigree on the horse along with the transfer form and fees should be submitted to the Clydesdale Breeders Office. **An open transfer is in direct violation of the Association Rules.** This means handing the new buyer a transfer that is not filled out and recorded with the Association is not acceptable.

The fee for transfer is based on whether the seller is a member of the Association and also on the date of sale as follows:

Transfer fee for member if done within 90 days of date of sale - \$50

Transfer fee for non-member if done within 90 days of date of sale—\$100

Transfer fee for member if done after the 90 days of date of sale—\$100

Transfer fee for non-member if done after the 90 days of date of sale—\$200

Transfer fee for member after the year anniversary of date of sale—\$200

Transfer fee for non-member after the year anniversary of date of sale—\$400
