Members of the CBUSA

I am seeking election to the 2020 CBUSA Board of Directors.

Directors 12 years of experience as a previous CBUSA Director and I served two terms as President. I was instrumental in starting, planning, and chairing the first World Show in over 100 years. I was the chairman of both the 2007 and 2011 World Clydesdale Shows which were very successful shows financially and as major event. I have worked hard on many of the standing committees in the association.

My wife Kim and I have raised our family in the draft horse world. We have owned and raised Clydesdale horses for over 30 years. Starting in 1999 I have been blessed to work full time breeding and showing Clydesdale horses in both the halter ring and the hitch ring. I was very active in the youth classes at the World Shows, National Shows and have ran many youth education seminars.

My goals for the association are maintaining stability with a positive attitude moving forward. Identify projects essential to the growth of the CBUSA. Establish dates for the next World Clydesdale Show and a working Committee to start on a budget. I will also be integral implementing a working budget for the Association as I have served on this committee many years in the past. Key items that need to be dealt with in a timely manner are undated membership lists and voting procedures that are valid for all.

I am seeking election to the CBUSA along with Linda Harmon so that we can continue our strong teamwork as we did in past. We bring 21 years of experience and work ethic to the Clydesdale Breeders of the USA Board of Directors. Please do not hesitate to call or email with any questions or concerns. I look forward to speaking to other members as we move the CBUSA forward in a positive manner.

Sincerely Keith Mann
