

I, Patrick McCarry am applying for an open Board of Director seat for the Clydesdale Breeder's of the USA. The promotion and history of the Clydesdale breed has been a passion of mine since my youth. My family has been raising Clydesdales for 50 years. In recent years I have enjoyed promoting our breed and the versatility of the Clydesdale at Horse Progress Days, Michigan Horse Expo, 4-H, MGLI, Several Open shows and the Northwest Michigan Fair. Please take a moment to review my personal experiences, and I'm looking forward to the future of our membership and breed.
