

Enrollment Time!

What a wonderful year it has been with your Clydesdale! You've been grooming and training, riding or driving, building a bond unlike any other. You and your horse are getting to know each other better with each interaction, and you have been logging hours every step of the way.

The Clydesdale Breeders of the United States of America Versatility Program wants to congratulate you and your horse for all of the effort you are making to better yourselves together. Thank you for sending in your hours every month!

At this, the anniversary of your CBUSA Versatility Program enrollment, it's time to send in your \$35 renewal and think about your hourly goals for this year. Attached please find a schedule for all of the premiums available through this program to cheer you and your horse on.

Thank you for signing on to this community of Clydesdale hobbyists, and keep those feathers flying!

Enrollment begins January 1st of each year. If you join the program after August of each year you will automatically be registered for the next enrollment cycle.
