Managed by Clydesdale Breeders of the U.S.A.—Co-Sponsored by the Percheron Horse Association of America!

Thanks to many sponsors and individuals, the 2015 Clydesdale Youth/Novice Congress was a huge success!!!! This first time event set the pace for learning and promoting the Clydesdale Breed and Draft Horse Industry! The focus was on informational seminars, hands on learning, and experiences in the ring. Pam Minick from the Gentle Giants Program was present filming and coverage of the 2015 Congress should be aired March 6th, 2016 on RFD TV! The Draft Horse Journal also printed an article about the 2015 Congress in their Fall Journal!

Due to the success of the 2015 Clydesdale Youth/Novice Congress, this event has been opened up to the entire Draft Horse Industry, thus the change in the title of the Congress! This event is important to the entire Draft Horse Industry and will again be a "stellar" event for all breeds! Plans are now being made for the 2016 Draft Horse Youth/Novice Congress in conjunction with the Dane Co. Fair in Madison, Wisconsin. Complete information will be added to the Clydesdale Breeders website as soon as it is available! Until then, mark your calendars! We will be in need of youth, novice, presenters, volunteers, and sponsors!
