Re: Board of Directors Resume

Dear Clydesdale Breeders, Friends and Families,

I would like to take this opportunity to introduce myself. Angie Borck, of Storm Ridge Farm and Storm Ridge Enterprises. My husband Sam and I run a small electrical contracting company in Delta, Ohio. We currently have 9 Clydesdales, 7 Geldings, 1 stallion, 1 pregnant mare and one draft cross. We are very excited to be welcoming our new foal in March 2022! (We haven't had a foal in many years- geldings have always been our thing!)

We have always enjoyed and looked forward to the National Sale every year! A couple of years ago, I decided it was time to give back and volunteered. The last couple of years, I have been involved with the Clydesdale Breeders Finance Committee. I enjoyed rolling up sleeves up and getting to work for the association. After meeting and getting to know the people, I decided that I would run for the board. I am willing and able to help the association in any way that I can.

Thank you for your consideration,

Angie Borck
